

System Review certificate

NHBC Services Ltd confirms that

System owner: Build-Lite (UK) Ltd

System name: Future Found

System manual: BBA Certificate 19/5617-PS1 (05/02/2019)

has been reviewed by the NHBC System Review team and as detailed in the System Manual can meet the NHBC Technical Requirements, subject to the exclusions and limitations listed in this certificate.

This certificate is valid until such time as it is no longer published or authorised by NHBC. Readers are advised to check the validity and latest issue number of this certificate by either referring to our website at nhbc.co.uk/systemreview or contacting NHBC directly.

NHBC Services Ltd has undertaken a technical review of the System manual as set out in line with the NHBC System Review Technical Document for Innovative systems. The NHBC System Review Service is intended solely to provide confidence that the Innovative system meets NHBC Standards and is not intended as evidence of performance for any other purpose. Appraisal of the Innovative system against building regulations is not carried out as part of this Service.

NHBC reference: 3535

First issued: 08/10/2019

Version number: 05.1

Revised on: 26/01/2026

NHBC System Review is not an independent accreditation scheme or any form of performance guarantee, and third parties should engage with the relevant manufacturer on performance of their product. No documentation, information and advice relating to NHBC System Review may be adapted, disclosed, or distributed to any third party. NHBC Services Ltd accepts no duty of care and assumes no responsibility to any third party. Any third party who chooses to rely upon an NHBC System Review certificate (or any documentation, information and advice relating to the NHBC System Review service) shall do so entirely at their own risk and NHBC Services Ltd accepts no duty of care or liability for any damage or loss, however caused, in connection with the use of or reliance on any documentation, information and advice relating to NHBC System Review.

NHBC reference: 3535.05.1

System description

Future Found Foundation System, comprising concrete reinforced with steel fibre or steel reinforcement, white expanded polystyrene (EPS) flat sheet and edge profile, black pins and shark's teeth galvanized steel combs.

The system is for use in single-family dwellings up to two storeys high, subject to the design load criteria as defined in this Certificate.

Exclusions and limitations

Additional requirements must be met in order for a new home to qualify for Buildmark cover. Buildmark cover for new homes will only be issued to Builders or Developers in accordance with the latest version of the NHBC Rules (a copy of which can be found at [nhbc.co.uk](https://www.nhbc.co.uk)).

- The design and specification of the System must be assessed on a project specific basis by a suitably qualified Structural Engineer.
